FALL 2018 MINISTRY PLANNER

CENTREVILLE BAPTIST CHURCH

Connect

in Community Life!

CAMPUS GROUPS | HOME GROUPS | MEN'S GROUPS | WOMEN'S GROUPS

At Centreville Baptist Church, we consider our Community Groups our primary vehicle for cultivating spiritual growth and vitality.

Campus Community Groups	Home Community Groups
<p>Groups of 15 to 60 are <i>neighborhoods</i> within the church landscape and meet all over our campus on Sundays at 8:00, 9:15 & 10:45 am. Midsize groups are designed to provide a warm and casual atmosphere as they function more like adult “youth groups”. Many groups have regular small group breakouts during group meetings. Due to the convenience of meeting primarily on Sunday mornings and being a larger size they are easy to check out.</p>	<p>Home groups of 5 to 14 are <i>cul-de-sacs</i> within the church landscape. These small groups meet ideally weekly or bi-weekly in homes, restaurants, etc., all over the northern Virginia area and are designed to develop deeper friendships as they can function more like “extended family”. Groups can choose to be open groups accepting new members or they can be closed groups due to space issues, purposes, etc.</p> <p><i>Some small groups are affiliated with a campus community group</i></p>
CBC Men	CBC Women
<p>Men have unique needs and challenges, CBC Men desires to come along side our men to provide specified ministries, events and men's groups for encouragement, equipping, coaching, mentoring, fellowship, instruction, accountability and to organize teams of men to serve and share the Gospel in our local community and beyond. Our desire is to help men where they need it most to be grounded in their faith and to grow as a spiritual leader, married or single, in their home, at work, neighborhood and wherever God places them.</p>	<p>CBC Women exists to equip and encourage women to experience a vital and personal relationship with God, through Jesus Christ, and to be effective witnesses in all their relationships. There are opportunities for study of scripture, fellowship, service, training, and relationship building offered in a variety of settings such as campus and home groups, long term and short term groups, one-on-one relationships, events, and off-site trips. Our desire is for each woman to be challenged and engaged in taking the next step in her personal relationship with Jesus. We seek to encourage her as she discovers where He has called her to serve and to grow in her faith and personal life as she lives in service to others within our church body, our community, and beyond.</p>

life is better connected

At CBC we have an unchanging mission to glorify God by making fully devoted disciples of Jesus Christ. This year, our entire CBC family will be continuing our vision of “Life is Better Connected” by Connecting with the World.

Through fellowship and the study of God’s word, we hope to deepen our relationship with God by reaching out to our community. We believe that fully devoted disciple-making is only possible when we are consistently pursuing deeper connections with God, one another, and the world. As we take the time to be in prayer for our families, our church, and our community as well as in the study of God’s word, we will find ourselves transformed in to the likeness of Jesus. Jesus says in Mark 12:30-31, “Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength. The second is this: Love your neighbor as yourself. There is no commandment greater than these.”

It is the desire of CBC Women for you to join us in this journey of being made into fully devoted disciples. In these pages you will find opportunities to get connected — connected to God, to each other, and to the world—through Bible studies, events, and outreach opportunities. Let’s join together – Because Life is Better Connected!

Connected in Christ,

Amy Thoman
Director for CBC Women

Connections

Multi-generational Connections

The need for connecting across generations among women is stronger today than ever before. In Titus 2:3-5 we read that older women are to invest in and spend time with younger women to help shape their understanding of biblical womanhood and speak Truth as they share life experiences. In response to this command we offer several opportunities for becoming involved in intergenerational and mentoring relationships.

Woman to Woman Connections

This format offers the opportunity to connect one-on-one between two women who desire to share life experiences with each other. Training and resources are provided, as well as prayer support for each pair. This ministry is offered year-round on an individual basis. If you are looking for a mentor, or desire to walk along side a younger women, contact Marcie Turnau at marcie.turnau@cbcva.org.
